COMMUNITIES

We are committed to giving back to our communities. It's not an afterthought, it is who we are. Each year we give back millions of dollars to local communities and organizations all over. How can we help you raise money?

GAMES

Want to be the best coach ever? Book us for all your games this season. A refreshing shaved ice is a great treat for the crowd, but it's also an excellent reward for your athletes after the game too! And, we can also fundraise for your team as well.

SEE CHANGE

We're partnering with Adopt A Classroom to support childhood education. A portion of each color-changing cup sold goes to adopting a classroom. Buy a Kona, support a teacher, and see the change—figuratively and literally—as these cups change colors before your eyes!
